

the bentway

igniting the urban imagination

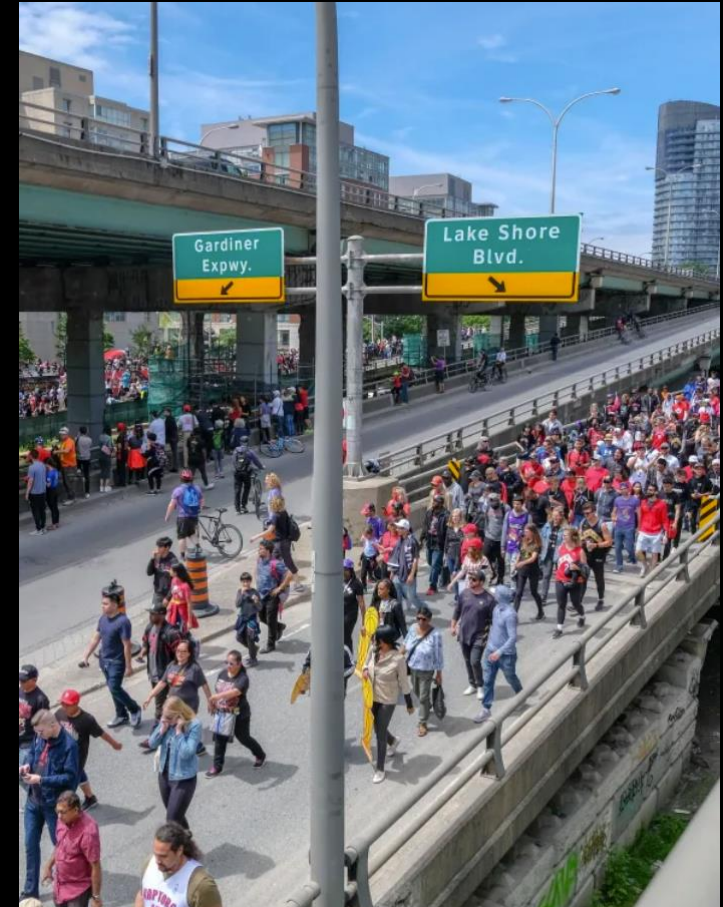

EDCO Conference
Feb 8, 2024

built for a mid-century city

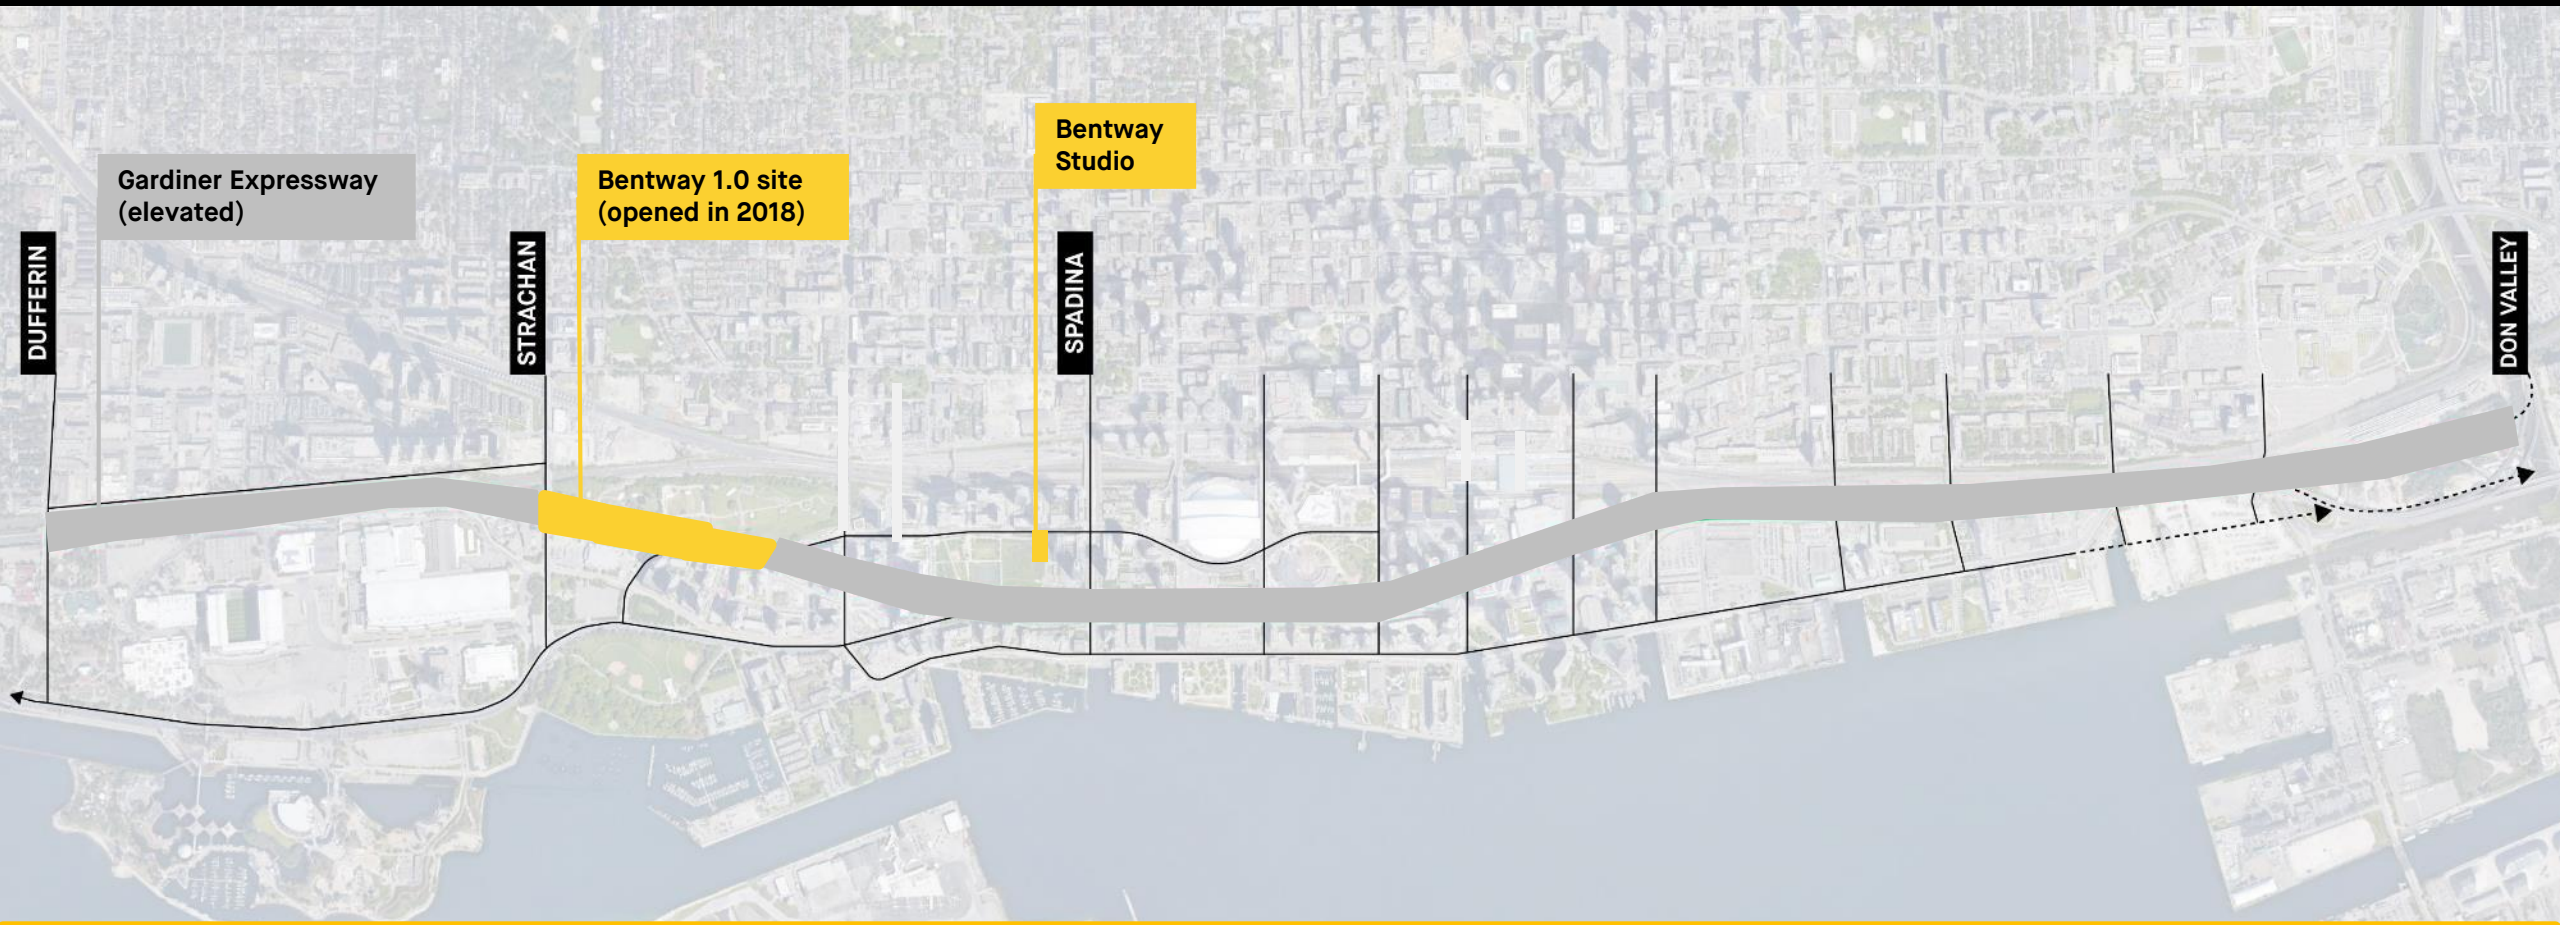

the gardiner
must be **more.**

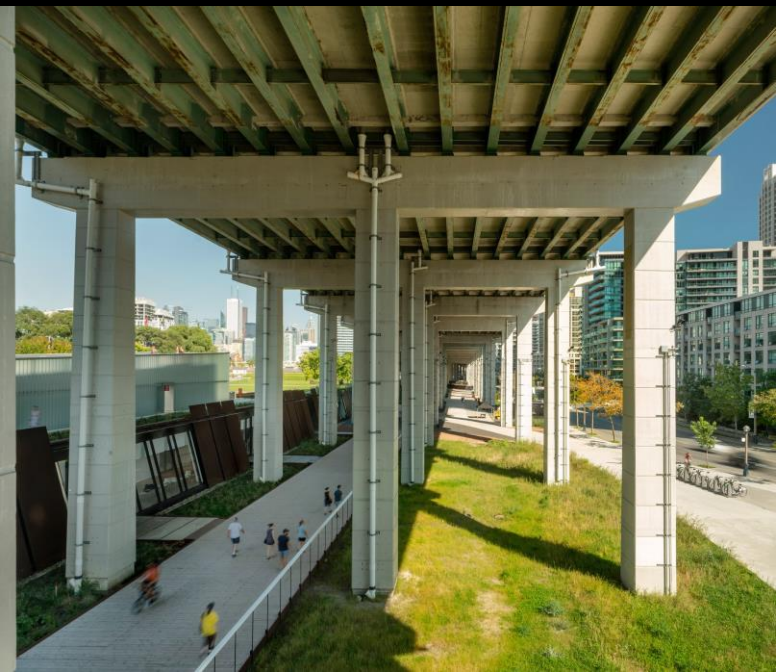

the bentway 1.0

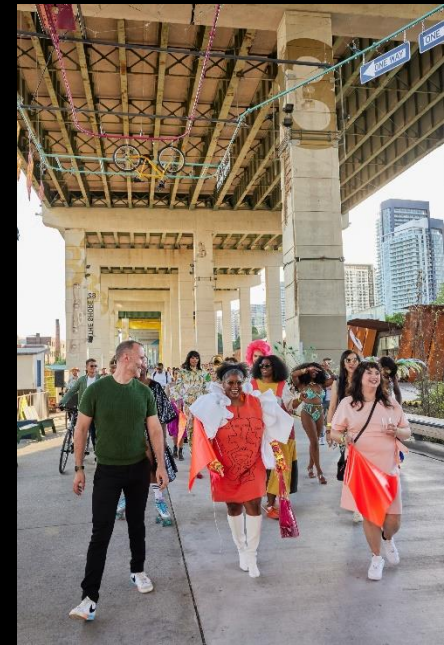

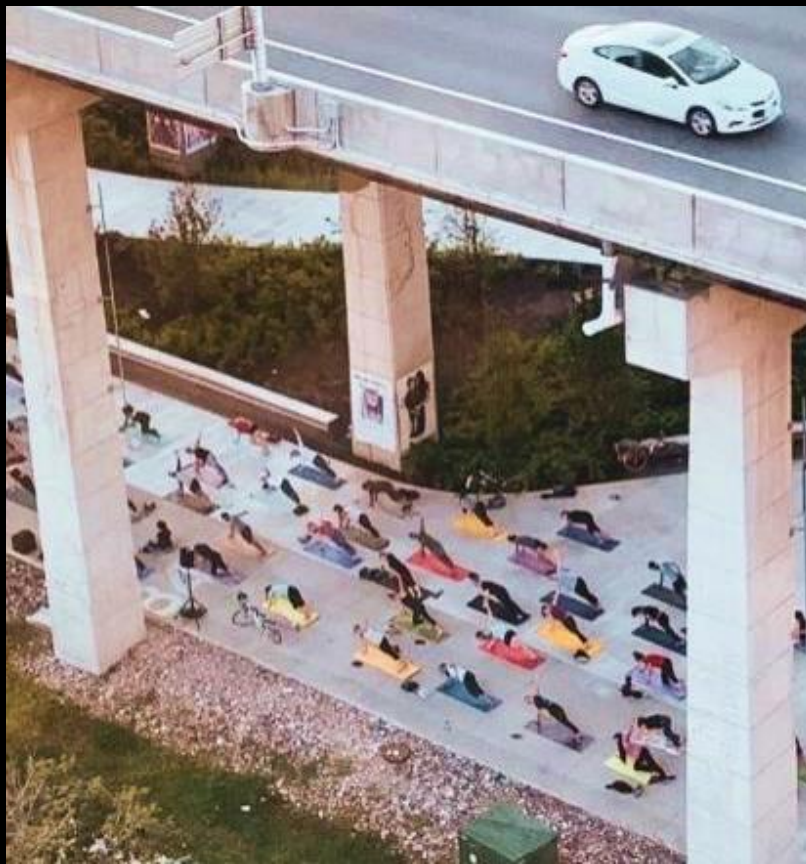

bentway 1.0

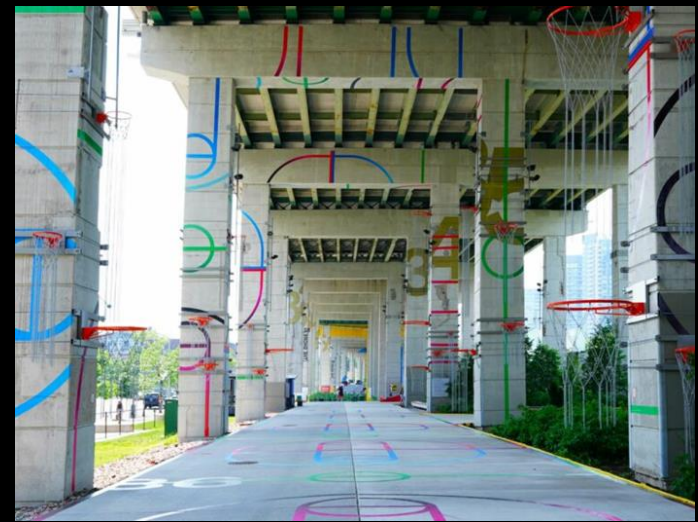

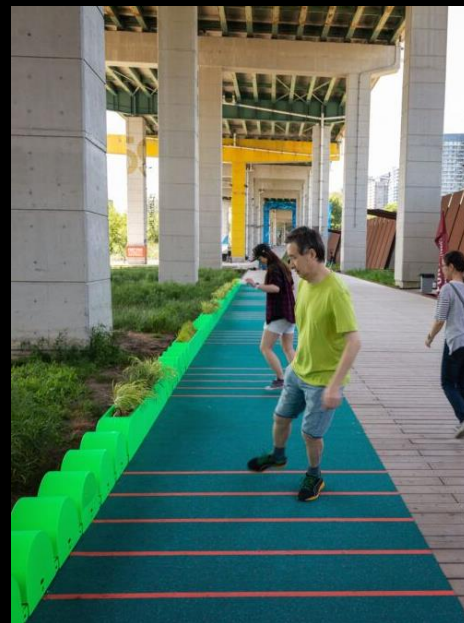

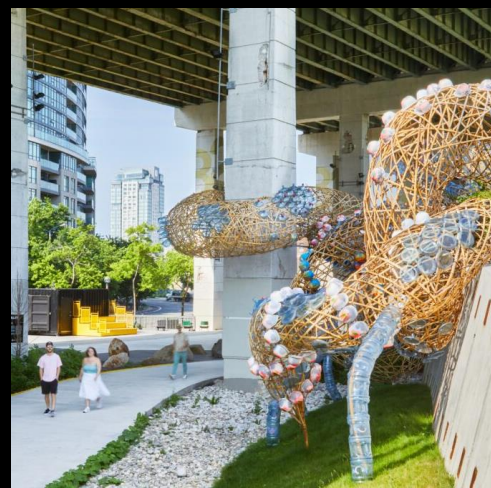

started a journey

bentway 1.0 as vital public space

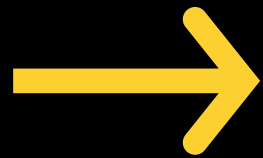

bentway 1.0 as creative platform

toronto needs urban imagination

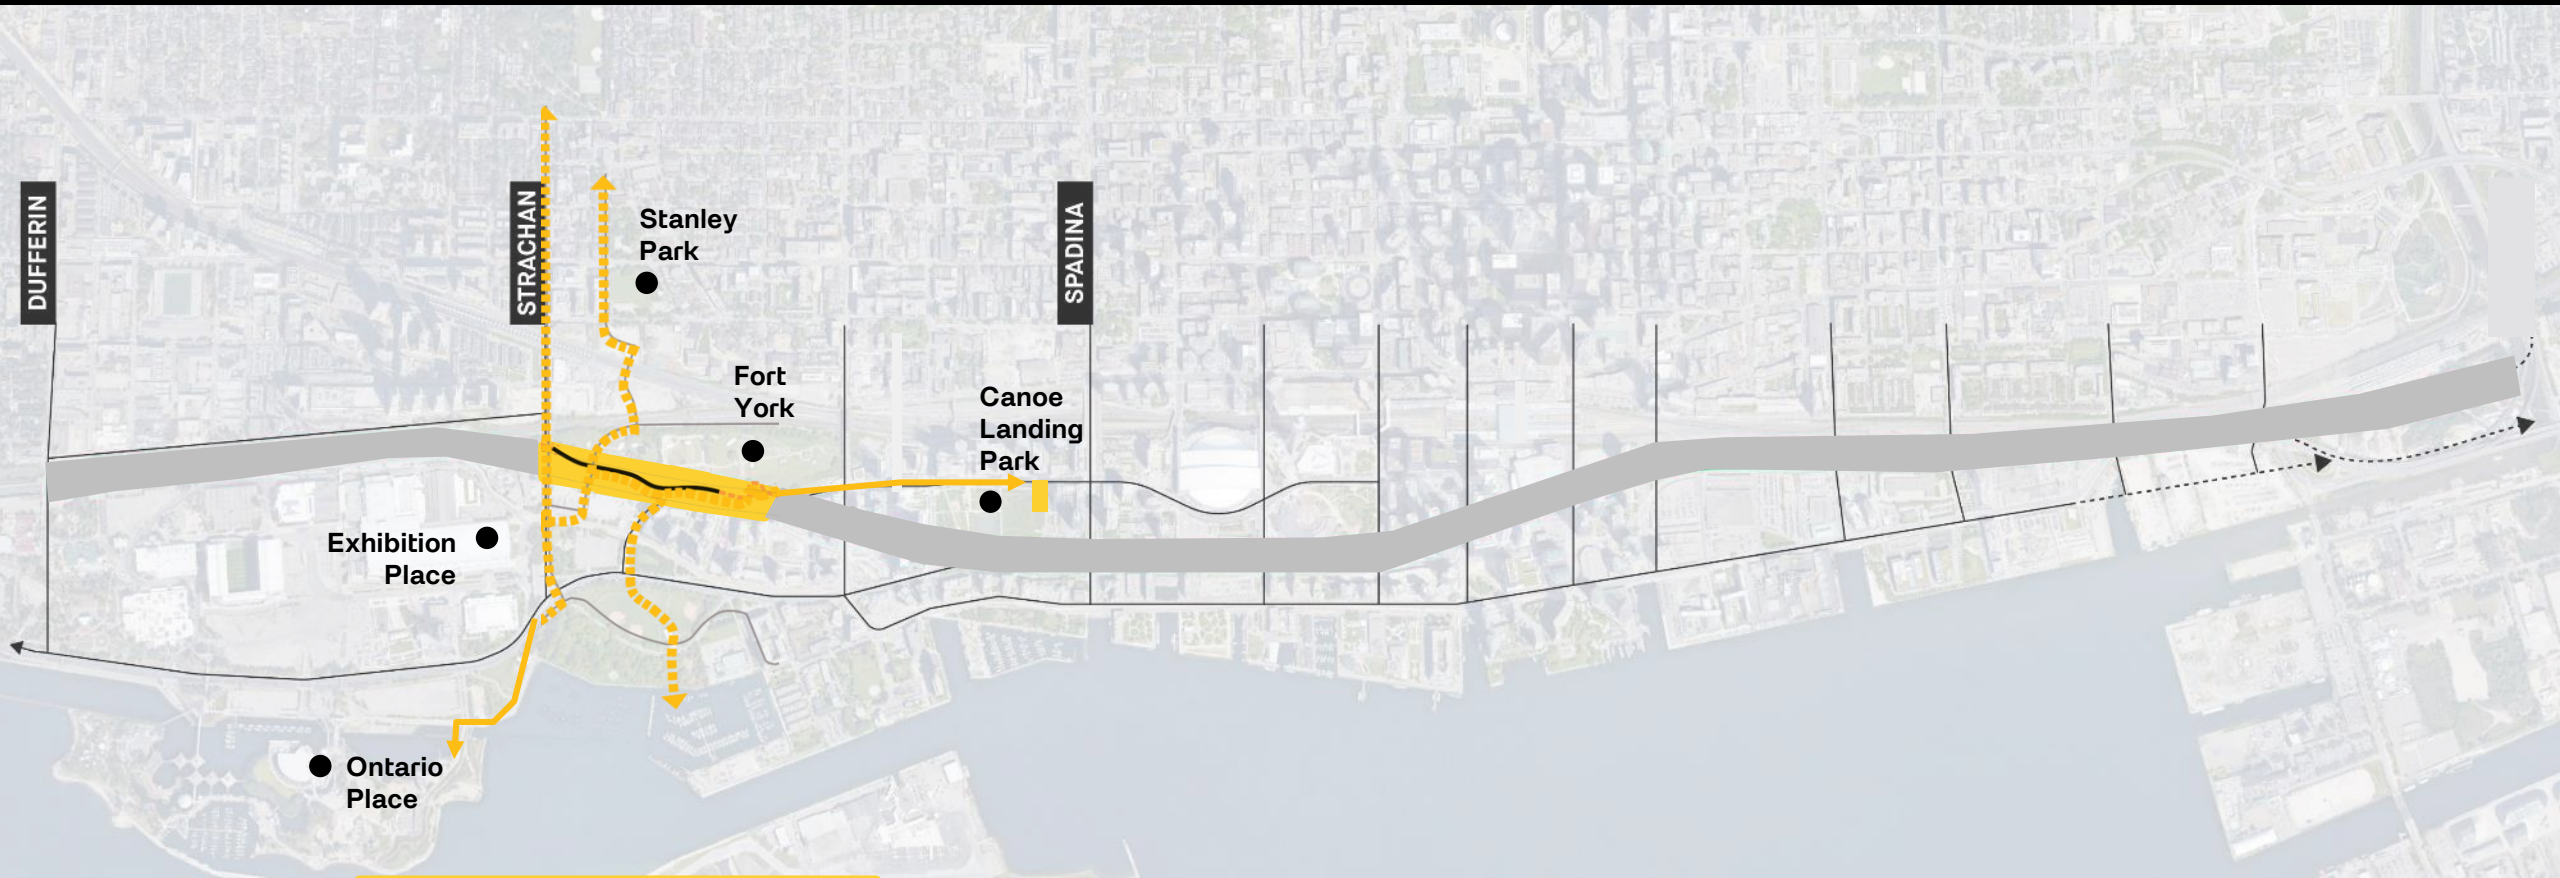

from
barrier
divisive
highway
ugly
derided
cynical
obstacle

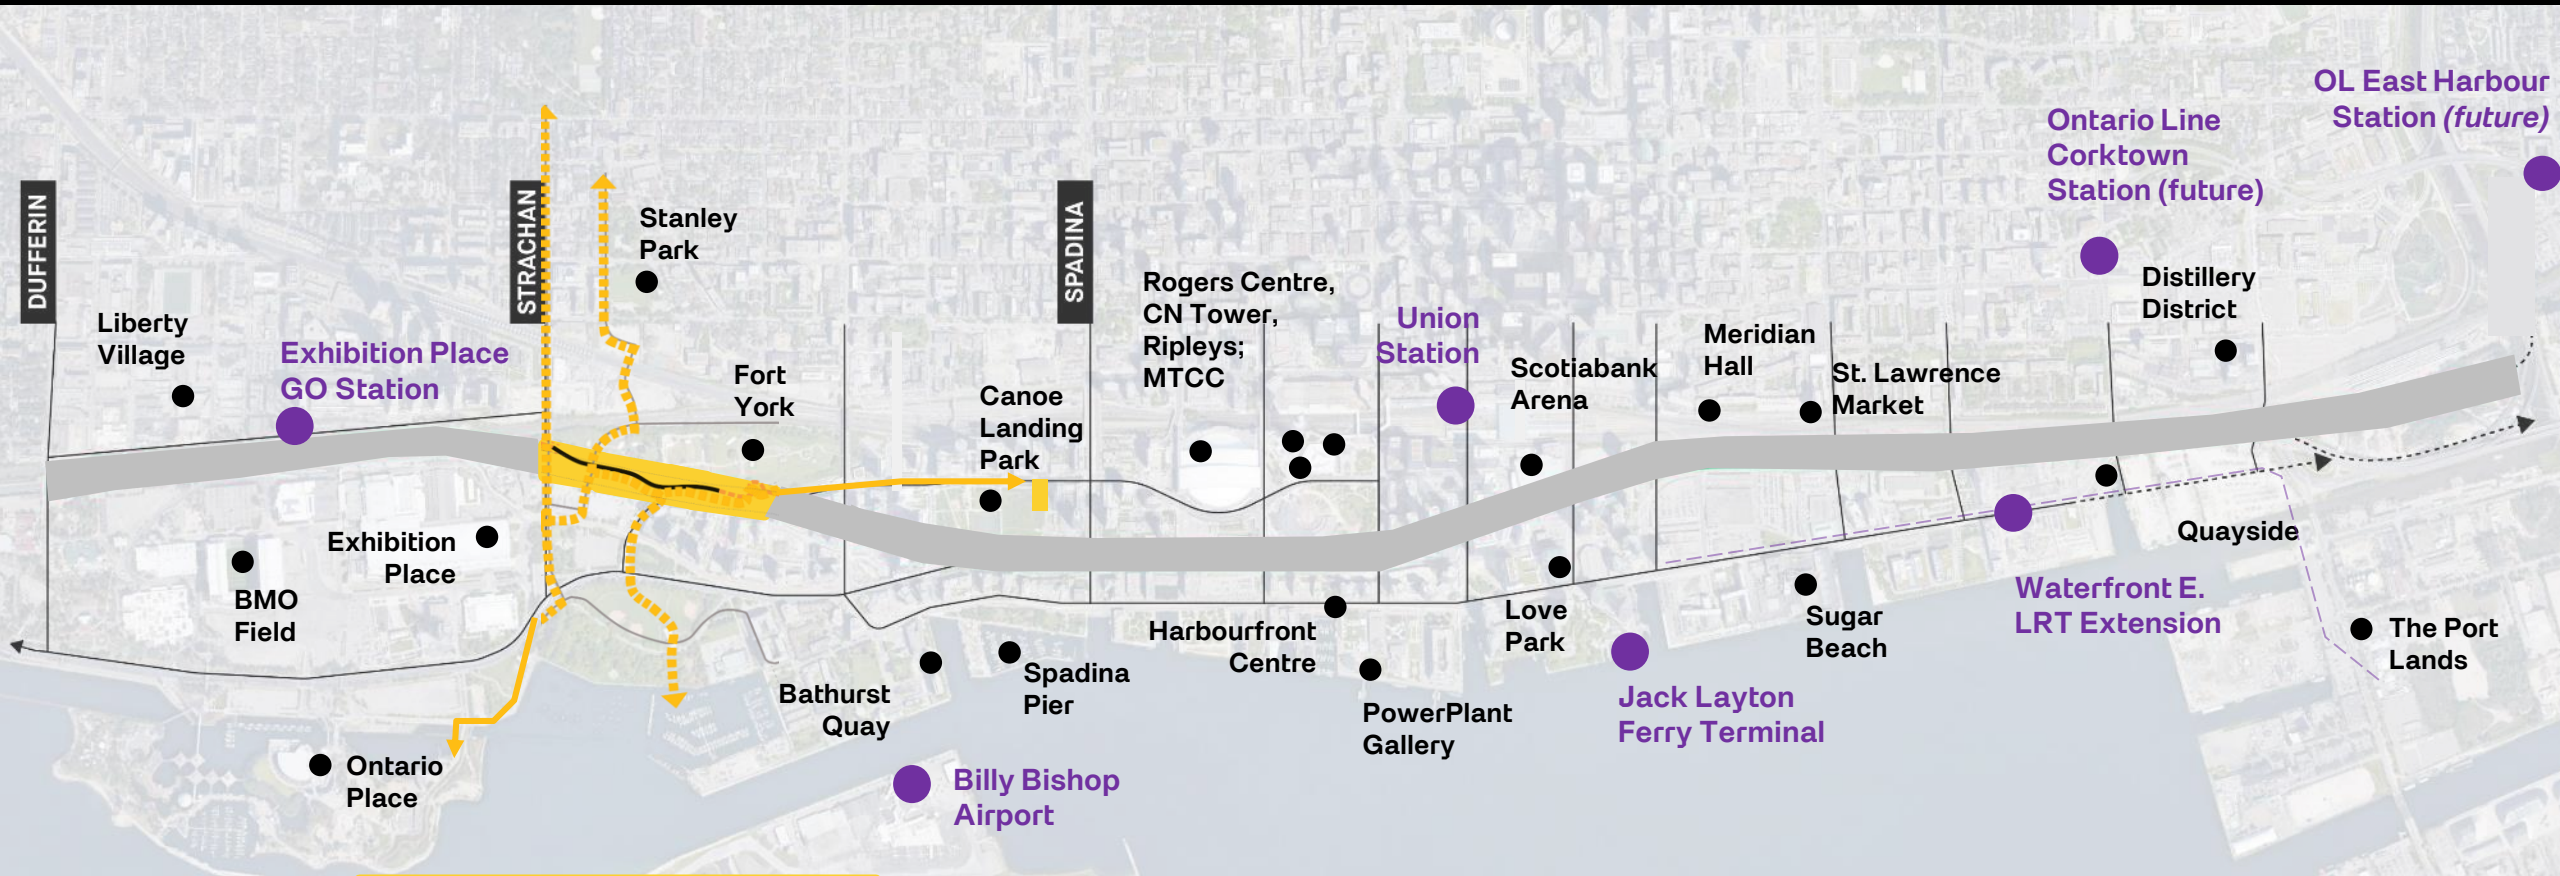

to
opportunity
connective
hybrid
beautiful
beloved
possible
imagination

linking waterfront destinations

6km of opportunity to unlock

under gardiner public realm plan

under gardiner prp

new baseline

pedestrian
oriented
lighting

consistent
wayfinding

rainwater
management

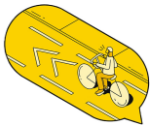

improved
safety at
intersections

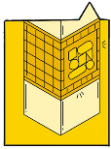

environmental
lighting
treatments

predictable
public
amenities

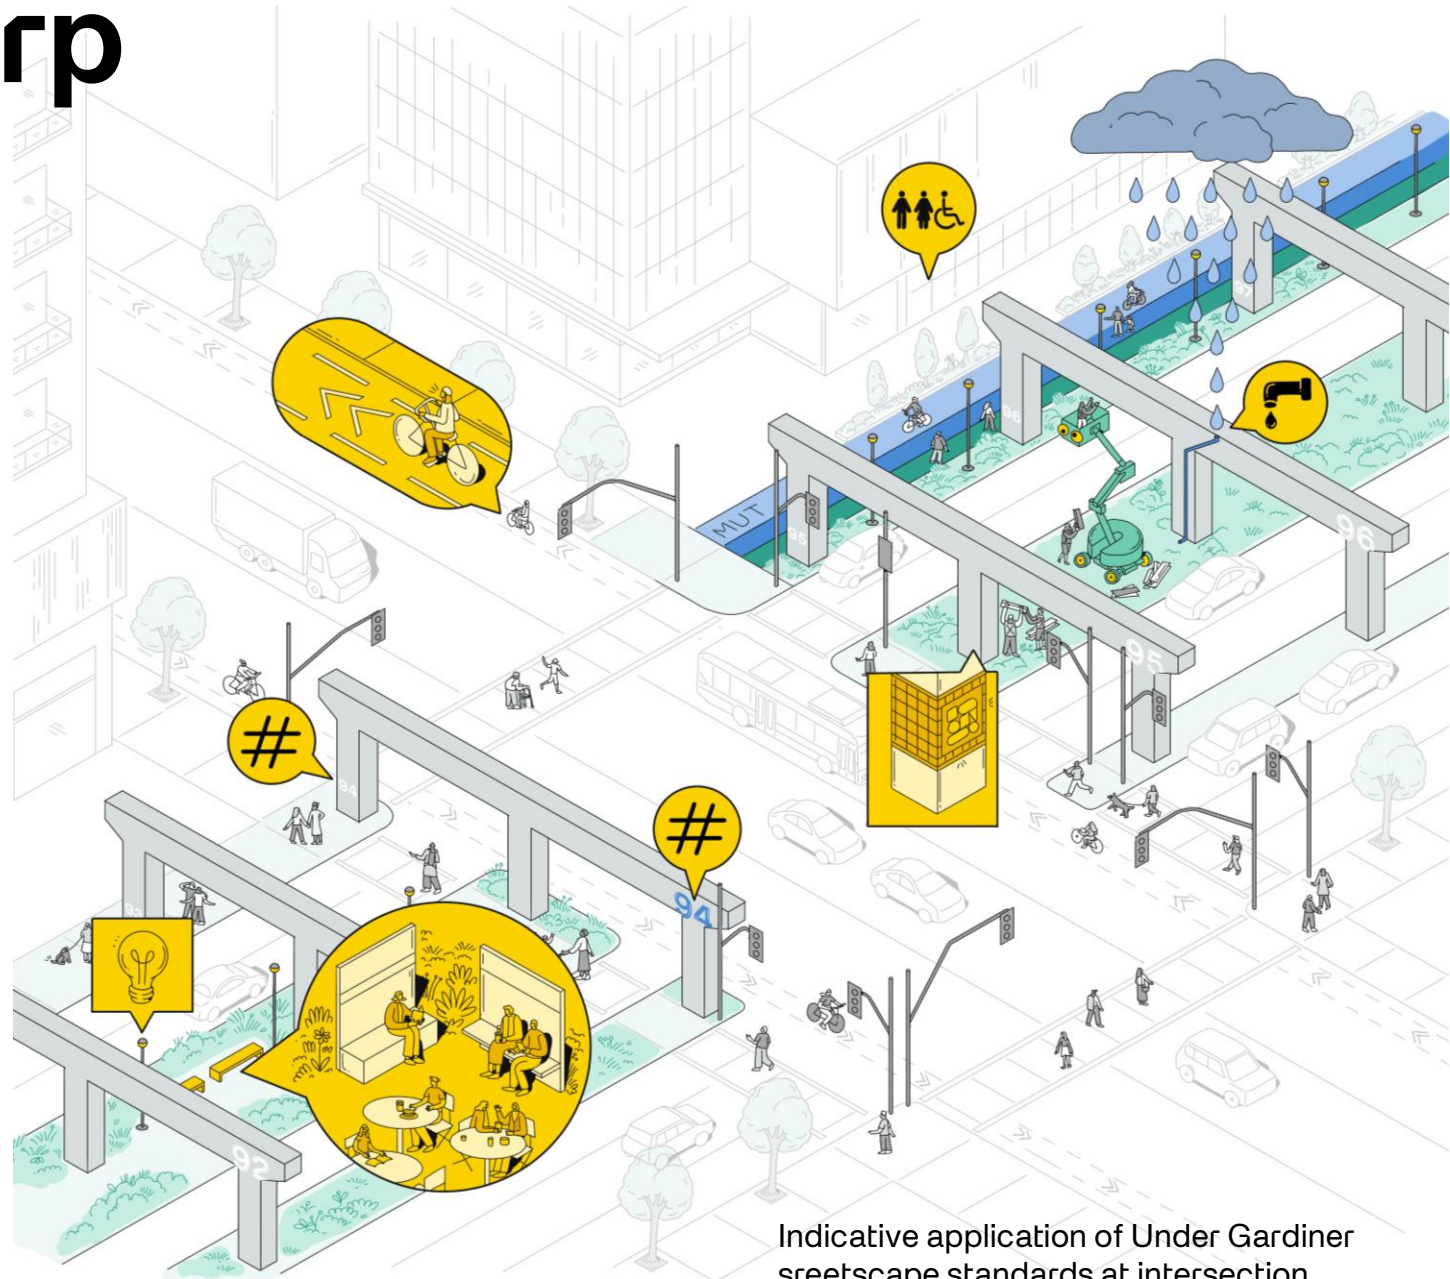

continuous
walking and
cycling trail

signage
mounts at
intersections

resilient,
perennial &
native plants

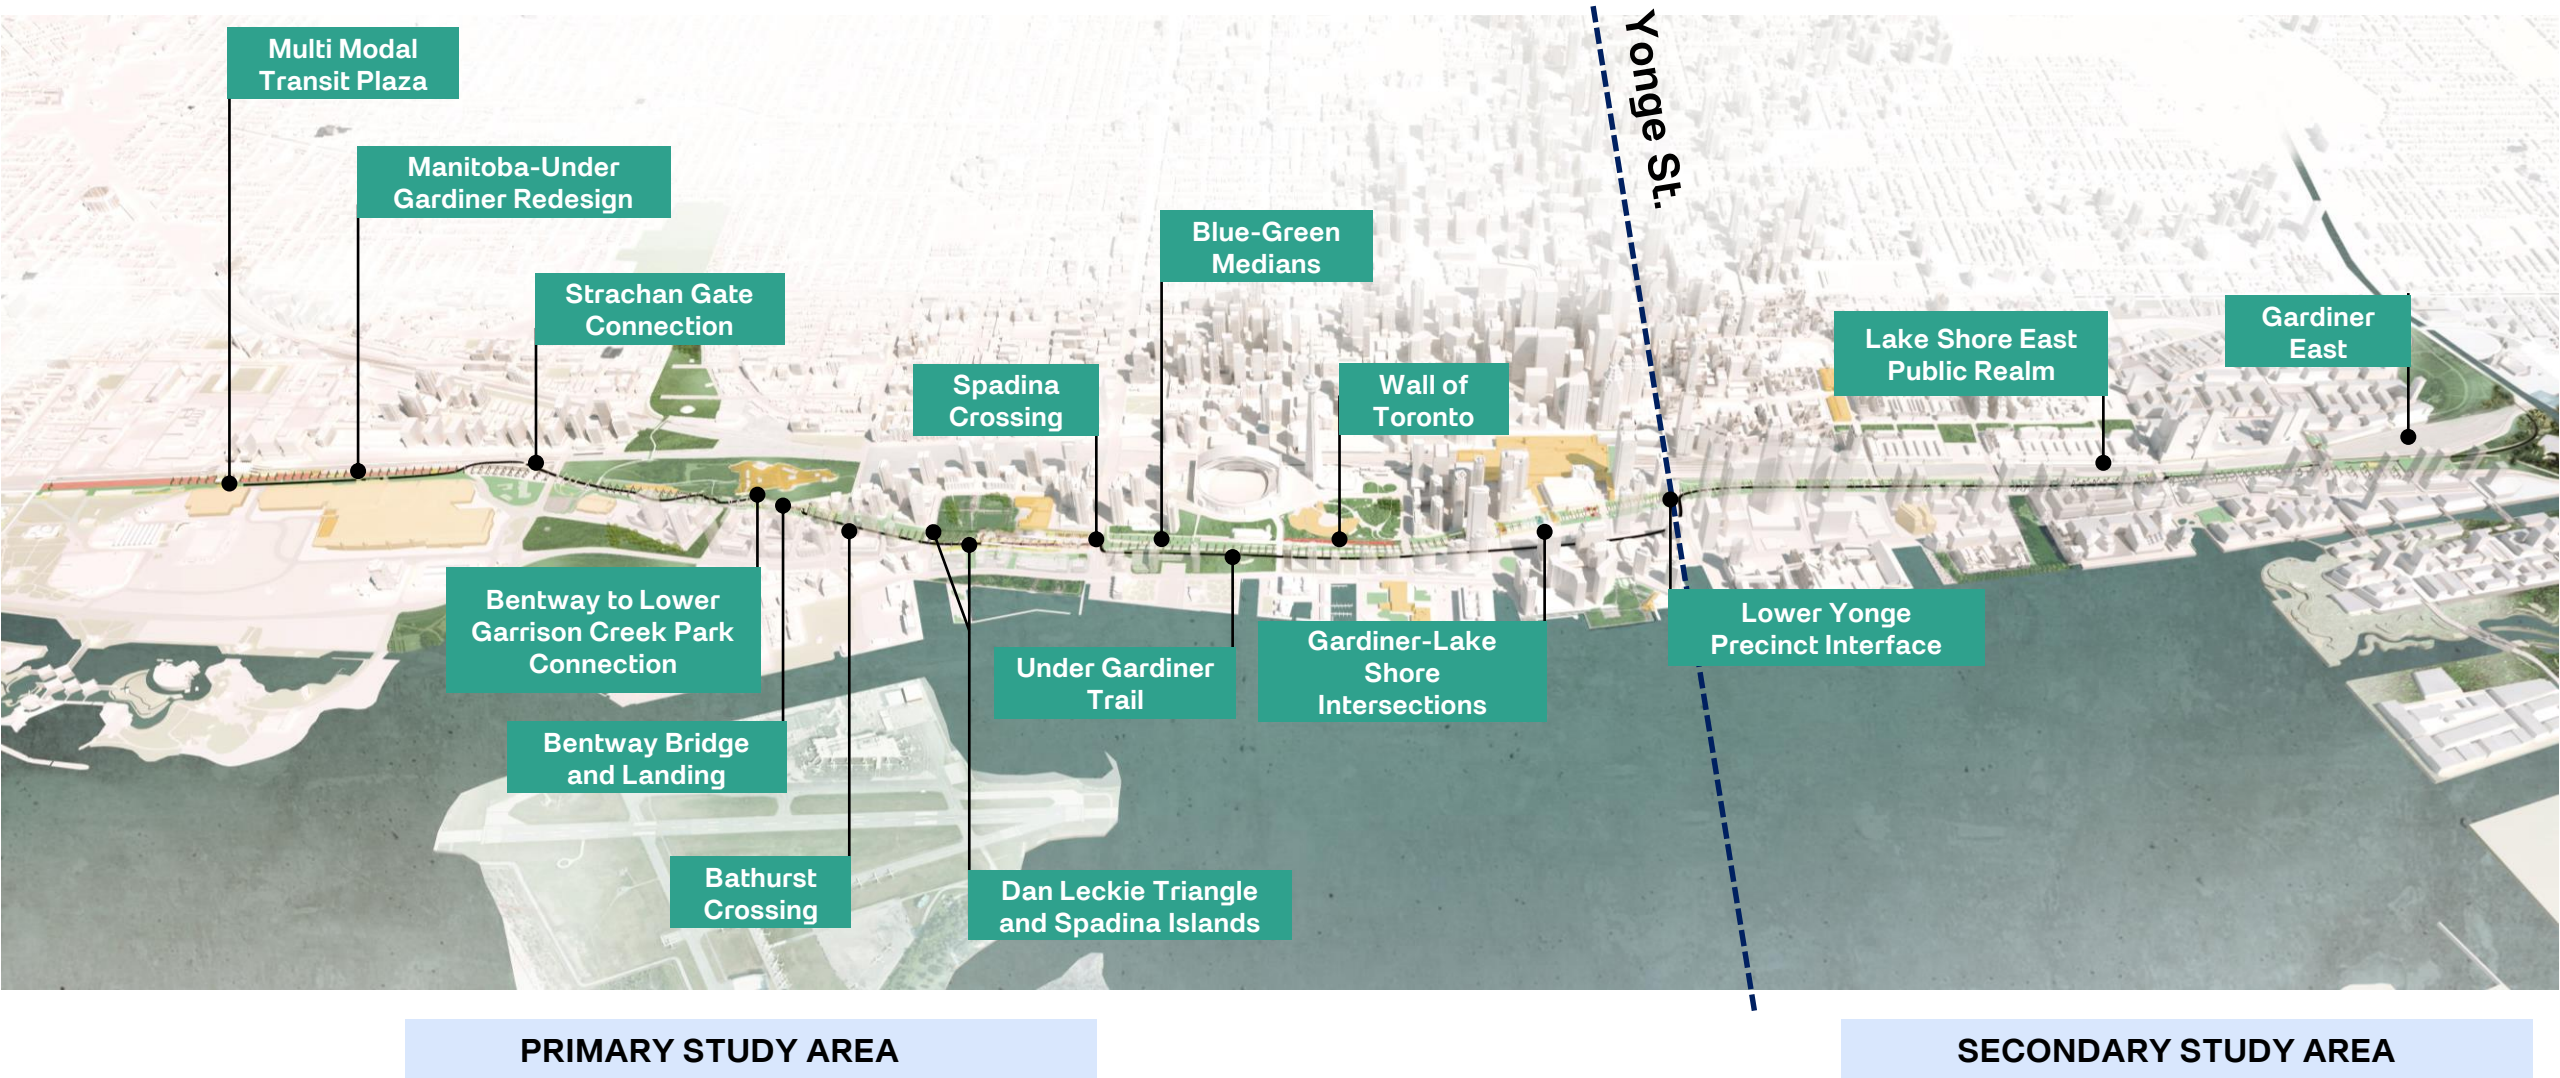

Indicative application of Under Gardiner
streetscape standards at intersection

Indicative application of Under Gardiner
streetscape standards along trail

@ York St
(2023-2025)

@ Simcoe St
(2023-2025)

@ Dan Leckie Way
(2023-2025)

pulse topology @ the cubicles

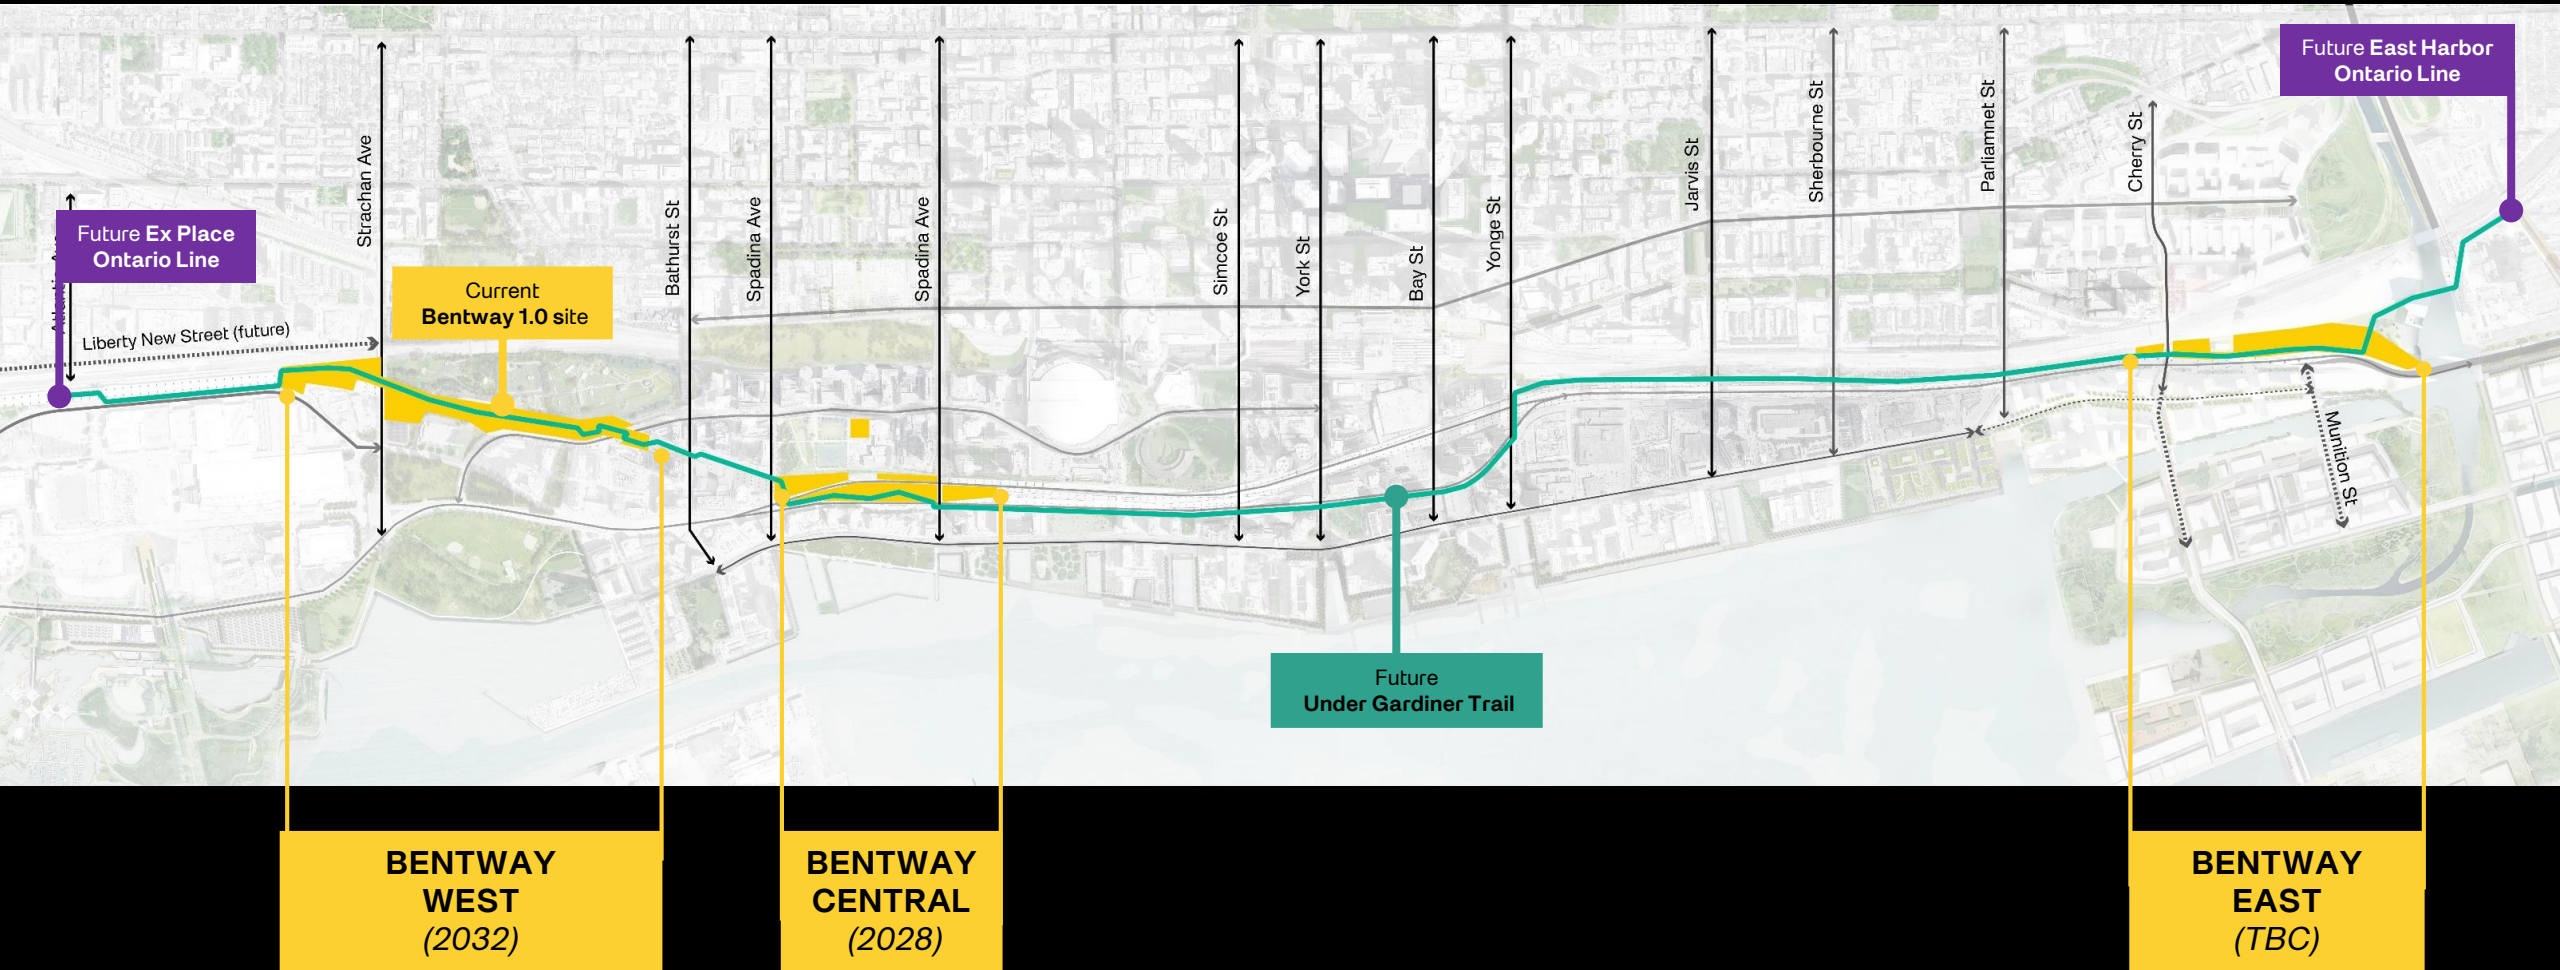

waterfront reconnect @ york

bentway staging grounds

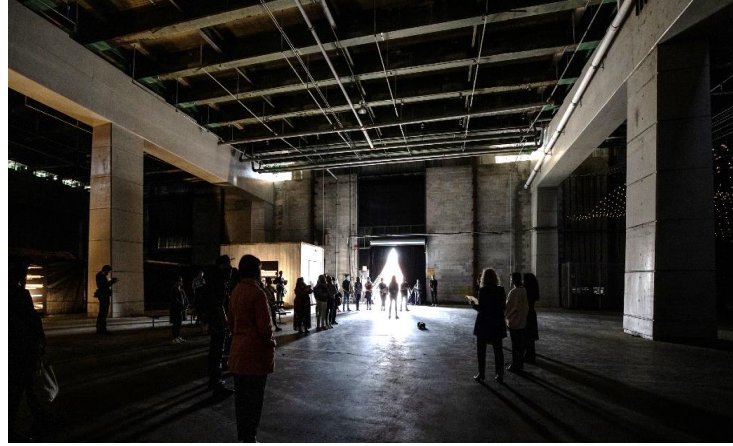

bentway expansion

(year first available for construction)

bentway west: **expanded cultural hub**

Vital **first-mile/last-mile connection** from the **Ontario Line station at ExPlace** to the downtown core

An unparalleled **culture venue** to support new experiments in public art

An iconic, **landmark bridge** to facilitate new neighbourhood connections for 100,000 local residents

bentway central: a new urban playscape

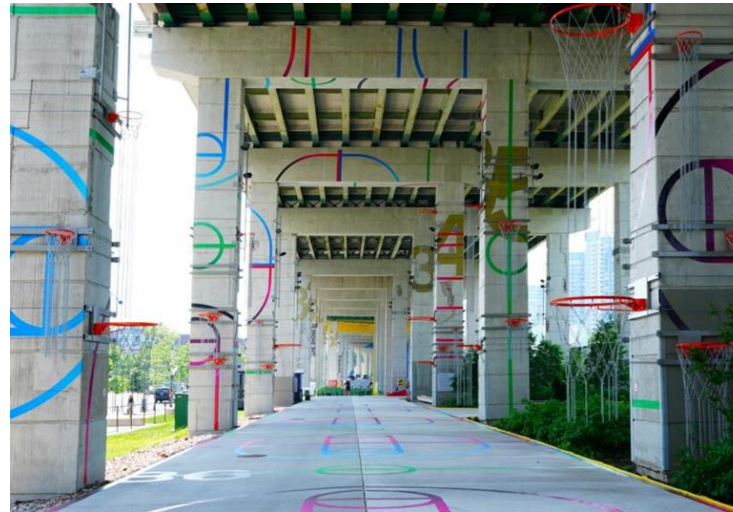

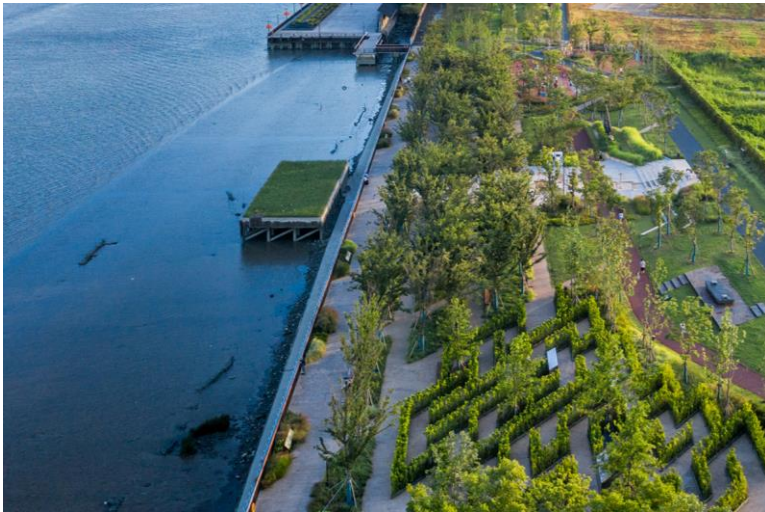

A network of **regenerative, productive landscapes** supporting flood mitigation

An intergenerational **playscape** for residents and their pets supporting new forms of recreation

Under-ramp space for small scale **retail and social entrepreneurship**

bentway east: **waterfront gateway**

A linear landscape and gateway,
bettering connectivity to the Port Lands,
East Harbour, and the Don Valley

An eastern destination for new **rotating
public art** experiences

An urban classroom for **outdoor ecology**,
where the Don River meets the Gardiner

the bentway

thank you!
